

# The 625

Unrivalled panoramic views

**The 625's focal point is its sociable rear U-shaped lounge, offering unrivalled panoramic views through the triple aspect windows with pleated blinds and flyscreens for additional comfort.**

A practical en-suite and separate shower cubicle is located in the centre of the vehicle opposite the fully equipped kitchen, which boasts a four ring hob and a 96 ltr fridge with removable freezer compartment. Available only in the Hi-Line body profile, the relaxed and comfortable lounge area needn't be disturbed as the over-cab area provides ample sleeping space for two adults.

The Tribute coachbuilt with its smooth lines, scratch resistant GRP sides, luggage access doors and high specification entrance door stands above the competition in most areas.
